West Coker Primary School

P.E and Sport Premium Grant Expenditure Report for 2023-2024

Total amount of premium allocated to the school for the academic year 2023-2024	**£16,368**

"Schools must use the funding to make additional and sustainable improvements to the quality of the physical education (PE), physical activity and sport they provide." (Department for Education & Education and Skills Agency, 2021)

The PE and Sport premium has helped to achieve the School's PE and Sport mission statement: At West Coker we believe that P.E plays a vital role in providing our pupils with a lifelong, positive and healthy relationship with sport and fitness. All children receive P.E lessons every week, which is delivered through a wide range of engaging and inclusive themes, such as: School Olympics and Beat the Teacher. Additionally, children will have the opportunities to explore and engage with the wide range of sporting equipment we have here at West Coker such as: archery, curling, boccia, vaulting, football, athletics, netball, basketball and dodgeball. Children will also be provided with the opportunity to participate in swimming. All pupils also have the opportunity to participate in extra-curricular activities throughout the year, which allows them additional opportunities to utilise our equipment and facilities as well as participate in sports they may not have played before, including: quidditich, bench-ball, bench-football, futsul and handball.

Curriculum Swimming

For the 2019-2020 academic year, we are required to publish how many pupils within our Year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, using a range of strokes effectively and perform safe self-rescue in different water-based situations.

National curriculum requirements for swimming and water safety	Percentage of children meeting requirement
Percentage of the Year 6 cohort who can competently, confidently and proficiently over a distance of at least 25 metres.	50%
Percentage of the Year 6 cohort who can use a range of strokes effectively [for example, front crawl, backstroke and breaststroke].	50%
Percentage of the 2022 -2023 current Year 6 cohort who can perform safe self-rescue in different water-based situations	75%

The information below provides a summary of funding spent at West Coker Primary School.

P.E and Sport Premium Funding 2023-2024			
PE and Sport Premium Key Indicators **Key indicator 1: The engagement of all pupils in regular physical activity** **Key Indicator 2: The profile of PE and sport is raised across the school as a tool for whole-school improvement** **Key Indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport** **Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils** **Key Indicator 5: Increased participation in competitive sport**			
Objectives	**Action**	**Cost**	**Impact**
Objective 1: To ensure all staff are confident and have the knowledge and skills to teach high quality PE.	Investment into dedicated sports staff and Forest School Staff such as Sports Coach/P,E Lead Forest School Teacher, teaching assistants, and Midday Supervisor/Playground Leader.	£8179	• Children receive high-quality and inclusive lessons tailored to their needs and ensure all National Curriculum aims are being met. • These lessons provide a variety of initiatives to inspire and motivate children to engage in sporting activities. • Provide experiences that children may not usually receive at home or in normal school curriculum.
	Investment into Swimming Instructors, pool facilities and travel.	£2089	• All children able to receive swimming lessons in an appropriate sized pool at appropriate depths. • Children receive teaching from trained staff who could advise other members of staff on teaching and assessing swimming.
	Rent for School Field	£500	• Additional and open space to deliver P.E lessons. • Area for children to play, explore and learn. • More space for children to develop the fundamentals and skills needed to play sports in more open spaces.
	Resources and teaching equipment	£504.46	• Appropriate and necessary equipment to provide effective and inclusive lessons. • Ability to teach every aspect of the P.E curriculum including gymnastic skills such as vaulting. • Enable all teachers to plan diverse activities with the necessary equipment available, giving children a wide breadth of PE and sport experiences. • More playground equipment for children to explore and learn team games. • Children can wear appropriate clothing that displays the school colours when out at sporting events.

Objective 2: To engage all pupils in physical activities, including competitions, which are high quality, diverse and child led.	Investment into Swimming Instructors, pool facilities and travel.	See above	• All children able to receive swimming lessons in an appropriate sized pool at appropriate depths. • Children receive teaching from trained staff who could advise other members of staff on teaching and assessing swimming.
	Rent for School Field	See above	• Additional and open space to deliver P.E lessons. • Area for children to play, explore and learn. • More space for children to develop the fundamentals and skills needed to play sports in more open spaces. • School field to be used for inter/intra school events such as sports day.
	Resources and teaching equipment	See above	• Appropriate and necessary equipment to provide effective and inclusive lessons. • Ability to teach every aspect of the P.E curriculum including gymnastic skills such as vaulting. • Enable all teachers to plan diverse activities with the necessary equipment available, giving children a wide breadth of PE and sport experiences. • More playground equipment for children to explore and learn team games. • Children can wear appropriate clothing that displays the school colours when out at sporting events.
	Investment into YSGA and Hinton Sport	£250	• Pupils have the ability to participate in inter-school events held throughout the academic year. • Provides children with a good level of competition for their age group. • Provided children with valuable experience in representing the school in sporting events catered to our size school.
	Dodgeball competition	£60	• Children had the opportunity to compete against other schools to further develop there in match tactics. • Children have the opportunity to win an event and go up to regional finals and national finals. • Encourage a love of sports they may not usually get to participate with.

Total premium spent to this date: £11,582.46 (24.6.2024)

Next Steps: Continue to provide the children with inter/intra school experiences that further cater to the size school we are. Continue to develop teachers CPD by attending courses to ensure high quality teaching from EYFS-Year 6. Begin to purchase of high-quality early years equipment to develop their gross motor skills and problem-solving skills.
